Reynolds Recycling Increases Customer Convenience By Expanding Days Of Service

Honolulu, HI---Reynolds Recycling Inc expands service at their Ala Moana Certified Redemption Center to seven days a week.

The redemption center is located at 1391 Kapiolani Blvd, Honolulu, the former JN Chevrolet lot. The extended hours should make it more convenient for consumers to redeem their HI-5 containers. Most redemption centers are closed on Sundays. In response to customer demand, Reynolds will open this site on Sundays in an effort to make recycling and HI-5 redemption more accessible to the public.

the site takes both HI-5 products, and recyclable scrap non-ferrous metals. It is a convenient one-stop recycling location with dedicated parking and an enclosed facility.

There are now eight Reynolds Recycling locations that are open 7 days a week, from 9 am to 5 pm daily, closing from noon to 1:30 pm for lunch. They are:

- Ala Moana
- Enchanted Lakes
- Halawa (Does not close for lunch)
- Mililani Town Center
- Pearl City
- Waianae
- Waikiki
- Kilauea Ave (Hilo)

Reynolds Recycling, Co is a locally owned and operated corporation, working to preserve and protect Hawaii's natural beauty. Since 2005, Reynolds has annually recycled the equivalent of one month's worth of garbage from the Waimanalo Gulch landfill.

For information on other locations, please call 487-2802 or visit us at www.reynoldsrecycling.com.
